

One Church, Two Locations

Dear Friends,

On Sunday, July 1, the congregations of Brighton First and Wesley United Methodist Church of Whitmore Lake will be one congregation worshipping and serving in two locations.

Congregation members from both churches voted to merge our ministries on Sunday, April 15. At Brighton First, 129 members voted and 98% said "yes" to the merger.

This is a blessed time for our congregations. Together, we will strengthen compassionate outreach and make disciples for Jesus Christ in our communities.

In the months ahead, teams of congregation members from Whitmore Lake and Brighton will prepare our churches for merger and exciting new ministries. Rev. Bob Fuchs has been named the Whitmore Lake Campus Pastor. If you would like to assist in our preparation for merger or if you have questions, please contact [Pastor Bob](#).

I am inspired by the courage and faithfulness of the members of Brighton First and Wesley UMC. God uses the faithful in wondrous ways to bring Christ's light to the world. In this time of transition, please keep our churches and our future ministry in your prayers.

Blessings,
Pastor Sherry
